

SHEFFIELD CITY SWIMMING CLUB

CHILD PROTECTION POLICY STATEMENT

Sheffield City Swimming Club believes that Good Practice is as follows;

1. The welfare of children is everyone's responsibility, particularly when it comes to protecting children from abuse. Everyone in swimming – administrator, Club officials, coach, parent, friends, children themselves, everyone – can help. Children and young people have a lot to gain from swimming. Their natural sense of fun and spontaneity can blossom in positive sporting environments. Swimming provides an excellent opportunity for children to learn new skills, become more confident and maximise their own unique potential. The Club will place the needs of the child first and winning and competition second.

2. The underlying principles with respect to Child Protection are that:

- The child's welfare is the first consideration.
- All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse.
